

IN-OFFICE Oculoplastic Surgery CONSENT

PROCEDURE or TREATMENT

Introduction

This consent form is designed to inform you about the oculoplastic surgery you are considering. It is crucial that you read this form carefully, understand the details, and feel free to ask any questions before you sign.

Procedure Description: Oculoplastic surgery includes surgical procedures to correct conditions affecting the eyelids, orbit (the bony socket that holds the eye), tear ducts, and surrounding facial structures. The specific procedure(s) you will undergo include:

Purpose of Surgery

The goals of your surgery may include:

- **Functional Improvement:** Restoring normal eyelid function, enhancing vision, and improving comfort.
- **Cosmetic Enhancement:** Improving the appearance of the eyelids and surrounding areas to boost self-esteem and confidence.
- **Specific Medical Issues:** Addressing unique concerns as discussed during your consultation.

Potential Risks and Complications

While oculoplastic surgery is generally safe, risks exist, including but not limited to:

- **Infection:** Risk of infection at the surgical site.
- **Bleeding:** Possible excessive bleeding during or after surgery.
- **Scarring:** Formation of scars that may be visible.
- **Vision Changes:** Temporary or permanent changes in vision, including double vision. Loss of vision and blindness is possible.
- **Dry Eyes:** Altered tear production leading to dry eyes or excessive tearing.
- **Asymmetry:** Results may not be perfectly symmetrical.
- **Need for Additional Procedures:** Some patients may require further surgery to achieve desired outcomes.
- **Anesthesia Risks:** Potential complications from anesthesia, including allergic reactions.

Benefits of Surgery

The anticipated benefits of your oculoplastic surgery may include:

- **Improved Vision:** Enhanced visual function and comfort.

Consent

I hereby authorize Dr. Ramyar Torabi, Dr. Rozbeh Torabi, Dr. Radbeh Torabi and such assistants as may be selected to perform the following procedure or treatment:

PROCEDURE NAME:

DATE OF PROCEDURE:

1. I recognize that during the course of the operation and medical treatment or anesthesia, unforeseen conditions may necessitate different procedures than those above. I therefore authorize the above physician and assistants or designees to perform such other procedures that are in the exercise of his or her professional judgment necessary and desirable. The authority granted under this paragraph shall include all conditions that require treatment and are not known to my physician at the time the procedure is begun.
2. I consent to the administration of such anesthetics considered necessary or advisable. I understand that all forms of anesthesia involve risk and the possibility of complications, injury, and sometimes death.
3. I understand what my surgeon can and cannot do, and understand there are no warranties or guarantees, implied or specific about my outcome. I have had the opportunity to explain my goals and understand which desired outcomes are realistic and which are not. All of my questions have been answered, and I understand the
